

Location: Hybrid, Zurich (CHE); Stuttgart (DEU), Pune (IND) – 1 day home office
Start date: Immediately or by arrangement
Workload: 80% - 100%

Odoo Developer (m/w/d, 80% - 100%)

peoplefone has been developing IP telephony platforms that connect companies in Switzerland, Germany, Austria, France, Poland, Slovakia and Lithuania since 2005. Our competitive advantage is the development of innovative products combined with our strong entrepreneur and family-oriented spirit!

Do you enjoy writing clean code and building smart ERP solutions? Want to extend Odoo with custom modules, APIs, and automation that power real business workflows? Then we'd love to hear from you!

Your impact

- **Odoo ERP Maintenance:** Maintain and enhance our ERP system, focusing on Sales and Accounting modules
- **Module Development:** Design and implement new modules to support internal automation and process improvements
- **System Integration:** Extend and support the synchronization between Odoo and our web/VoIP platforms
- **Automated Testing:** Create and maintain automated tests to ensure system reliability and code quality
- **Process Collaboration:** Work with stakeholders to understand needs & translate them into scalable technical solutions
- **Admin Tooling Support:** Assist our internal admin team with tools for invoicing, reporting, and daily operations

Your Profile

Must-haves

3+ years of experience with Odoo (v15+), especially Sales and Accounting modules
Proficient in Python and SQL
Experience with relational databases
Independent and proactive working style with attention to detail; Quick & autonomous learner
Professional proficiency in spoken and written English

Nice-to-haves

Bachelor or Master Degree
Familiarity with Git, Docker, and CI/CD pipelines (GitLab)
German is a plus

What We Offer

- Young, international team - short communication paths, direct decisions
- Daily challenges in an open, innovative environment with a team that supports and inspires each other
- Top tools: the latest hardware + professional software of your choice
- Training & development – time and budget allocated for your growth
- Company events twice a year
- One fixed home office day per week with a 100% workload

You are self-organised, a strong communicator, and take responsibility for features from idea to go-live.

Apply now with your CV and all relevant references at jobs@peoplefone.com or contact us (+41 44 552 20 12) if you have any questions. **Please note: applicants must be based in Switzerland/ Germany / India. We do not offer work visa sponsorship for this position.**
