

We are looking for a

Data Warehouse Engineer

m/w/d, 100%; in Zurich, ZH or Puidoux, VD.

peoplefone has been developing IP telephony platforms that connect companies in 7 countries since 2005. Our competitive advantage is the development of innovative products combined with our strong entrepreneur and family-oriented spirit!

Your Responsibilities

- Design, build, and maintain scalable and robust data warehouse solutions
- Develop, optimize, and monitor ETL/ELT pipelines for seamless data integration
- Ensure high data quality, consistency, and governance across all systems
- Collaborate closely with software engineering teams (including Laravel-based applications) to integrate and structure data efficiently
- Translate business and analytics requirements into scalable data models
- Optimize data architecture and query performance
- Document data flows, models, and processes
- Support and enable BI, reporting, and advanced analytics use cases
- Act as a technical lead for data warehouse topics and mentor junior team members

peoplefone AG
Albisstrasse 107
8038 Zürich
Schweiz

DE +41 44 552 20 00
FR +41 21 552 20 00
IT +41 91 252 20 00

Your Profile

- Degree in Computer Science, Data Engineering, or a related field
- Several years of experience in data warehousing and data engineering
- Strong expertise in SQL and data modeling (e.g. star/snowflake schemas)
- Solid experience with modern data warehouse technologies (e.g. Snowflake, BigQuery, Redshift, or similar)
- Familiarity with cloud platforms (AWS, Azure, or GCP)
- Experience working with application backends, ideally Laravel/PHP
- Strong understanding of data governance and best practices
- Independent, analytical, structured, and solution-oriented mindset
- Fluent in English (German or French is a plus)

What We Offer

- Young, international team - short communication paths, direct decisions
- Daily challenges in an open, innovative environment with a team that supports and inspires each other
- Top tools: the latest hardware + professional software of your choice
- Training time and budget allocated for your growth
- Career Growth opportunities into an evolving team
- Company events twice a year
- One fixed home office day per week with a 100% workload

Apply now with your CV and all relevant references at jobs@peoplefone.com or contact us (+41 44 552 20 12) if you have any questions.

Please note: applicants must be based in Switzerland. We do not offer work visa sponsorship for this position.
